Wood and Metal

MECHANICS' TOOL CHESTS

BUY STARRETT THROUGH YOUR DISTRIBUTOR

Starrett® MECHAN

IN BOTH WOOD and METAL

Store Your Fine Tools Safely and Conveniently in Starrett Tool Chests

FOR MACHINISTS, TOOL AND DIE MAKERS, APPRENTICES AND HOME WORKSHOPS

Approximate dimensions 8½" x 20" x 13¾"; Top Compartment 7¾" x 19½" x 3¼"; Shipping weight without tools 31 lbs.

METAL CHEST

made of rugged steel

No. 200MC illustrated

Starrett now offers the finest tool chests made, for the mechanic, apprentice and home workshop owner who want the best. You have a choice of two styles, a wood chest made of handsome Honduras mahogany or a metal chest made of rugged steel — each available with three different assortments of Starrett Precision Tools to meet your requirements, either an economy assortment or more complete chests.

Rigidly reinforced metal chest with top storage. Seven drawers with Starrett red lining have positive stops and patented spring clips for easy removal. Outside panel to completely lock. Panel equipped with friction clips to prevent drawers from falling out when lid is open. Maroon wrinkled finish, contrasting black drawer pulls.

Approximate dimensions 9½" x 20" x 13"; Top Compartment 8¼" x 19" x 2⅜"; Shipping weight without tools 22 lbs.

WOOD CHEST

made of fine mahogany

No. 200WC illustrated

Both chests are built to rigid Starrett specifications, *toolmaker design*, based on 80 years experience as "World's Greatest Toolmakers" and provide all features wanted by good mechanics. Both have ample drawer capacity in number, width and depth to hold the fine tools furnished or other tools to be added later. Chests may be bought with or without tools. For complete specifications and prices on all six Starrett Tool Chests, see following pages.

Precision built wood chest, made of the finest, nicely grained Honduras mahogany, with varnished and hand rubbed finish. Has outside panel to completely lock. Top storage and nine drawers with Starrett red lining.
